

Sabbatical St Mary's Towers Retreat Centre, Douglas Park 2017

St Mary's Towers Retreat Centre, Douglas Park ran their first Sabbatical program from the end of December 2016 to the end of March 2017.

15 participants including religious men and woman, priests and lay people came from all over Australia and Fiji to make the Sabbatical.

St Mary's Towers property which is 1000acres of prime Australian bushland with beautiful grounds and gardens provided an ideal space for such a program. All participants went home grateful and enriched by the whole experience.

Following are some of the remarks the participants made about the program.

"An Australian Sabbatical that is designed to be gentle and relaxed.

The team at Douglas Park were compassionate and patient

We were welcomed into their home and into their hearts. It was a wonderful experience. Highly recommended."

"I heartily recommend the St Mary's towers sabbatical program to anyone look for a well recourse sabbatical with experienced presenters in a beautiful rural setting. The 30 day retreat that includes the key note Life's Healing Journey program is life changing."

"If you are seeking a holistic approach to contemplative living this sabbatical is for you."

"An experience that leaves every person who is searching for meaning into a deeper awareness and love for their God their true self and a deeper relationship with their God."

"Three months well spent if you are wanting to deepen your call to contemplative living in everyday life."
