6 Day Guided Retreat

23 - 29 August, 2019

Entering a time of retreat, we begin with deep faith and generosity; faith that God wants to communicate very personally with us; generosity to be totally open to God moving within us, regardless of where we have been in life, no matter how closed we may have been in the past.

We will be pondering the times in our lives when we have experienced God being absent but at the same time being present. What of my times of shadow and brightness, times of confusion and peace?

Let God be.....

*The story of my life.....as God tells it!
An inspiration for our prayer can be God revealing to us the where we are, the how we are and who we are.*

We will be reflecting on select scripture passages and exploring just how, for instance, in St. Paul's letter to the Ephesians, we belong God and how we can live in the light of this truth which can bring much joy to our lives and much needed peace and harmony. We will also be visiting some themes from the 30 day spiritual exercises of St. Ignatius of Loyola.

*This guided retreat will be 'time-out' to explore the possibilities of living a new life in the Trinity of love, allowing God, in our prayer, to reveal to us just **how God is experiencing** the experience of my life. The love with which God desires to 'be' in, through and with us through the varied circumstances of our daily lives.*

There will be a morning reflection each day and the opportunity to share with a spiritual companion.
