Lifting the Veil

Living in Liminal Space

St Mary's Towers Retreat Centre

*Extended Weekend Retreat
Friday – Monday*

27-30 September 2019

Presenter: Fr John Armstrong

On our pilgrimage, through life, we are called to reflect on where we have been and where we are going. The Lifting the Veil retreat is a time for us to stop and listen to where God's spirit is moving in life. It allows a waypoint in which we can discover the thin space where heaven touches the earth. It will allow us the opportunity to retell our own

sacred story and the moments where we have encountered God along the way. There will be an opportunity for us to stop and wait on the voice of God who speaks to us at this moment of our

lives and how we may feel called to move from one stage to another. The

retreat allows the opportunity to identify the liminal space in our own hearts where we meet God and allows us to rest comfortably in that place. By entering into this place we

allow ourselves the opportunity to touch the mystery at the heart of our lives. This provides the opportunity to experience a shift in how we can be present to God and to each other by becoming more

ourselves. It allows us to grow in the experience of our own calling to be present to God in all things.
